

**PLEDGE YOUR  
SUPPORT TO THE  
CALIFORNIA ALARM ASSOCIATION  
GOVERNMENT AFFAIRS  
PROGRAM**

*Representing Your Business,  
Your Industry and Your Interests at the  
City, County and State Level*

The California Alarm Association Political Action Committee was formed to provide support to the legislative advocacy of companies conducting business in California in the electronic security and systems industry. We worked to have a law signed by the Governor making alarm customers lists exempt from the Public Records Act, and we continue to work on Workers Comp and other regulatory issues that affect your business. The CAA PAC Fund is vital to representing you on these issues.
