Dear Graduating Seniors and Parents,

The CAA Youth Scholarship Program offers a total of \$25,000 in funds to children of active duty law enforcement and fire service personnel in the State of California who are graduating from high school in 2023. The CAA offers 11 regional, one statewide, and two national scholarships.

The Scholarship Program rewards students who excel academically, are active in community service, and participate in extracurricular activities.

CAA members provide products and services that enhance life safety in every community in California. The CAA shares a common mission with public safety officials: to improve the safety and quality of life for every Californian. A special thanks to our industry partner, ISC West, for supporting the Scholarship Program along with the 11 CAA Regional Chapters.

One of the unique aspects of the program is the applicant's essay discussing how their parent's or guardian's public service shaped their core values, influenced the choices they made, and helped to develop the qualities that led to their success. The essay is scored on content, compliance with essay requirements, grammar, punctuation and formatting.

We encourage you to apply for the Scholarship and wish you the very best in your academic endeavors.

Sincerely,

Sean Cooke, President

Lillian G. Chaumont, Scholarship Chair

Application Deadline is April 14, 2023
