	<p>The Parker Maurie Award is given to those individuals who go “above and beyond” their duties on behalf of the Sacramento Area Alarm Association. The Parker Maurie Memorial Award is not an annual award, but one that is given when the board of directors collectively feels that special recognition is warranted. The inscription on the Parker Maurie Memorial Award reads as follows;</p> <p>"For Outstanding Efforts"          "You have accepted the challenge to soar above the world and to overcome barriers to success that would have caused others to falter and fail. You have been decisive where others have hesitated. You are recognized as a leader for your efforts. Truly, you are an inspiration...like the Majestic Eagle."</p>
